

Activity-8: What will happen?

The following are the various kinds of human responses. **Before starting the activity below, discuss about these responses.**

Smiling	Shock	Laughing	Crying	Surprise
Silent	Jumping	Running	Sleeping	Hungry
Thirsty	Tired	Sadness	Happiness	Angry
Shouting	Pain	Remembering	Dreaming	Caring
Shy	Embarrassed	Liking/love	Questioning	Thinking
Jealousy	Planning	keep adding to this if you find something new... (What is your teacher doing?)		

Now use the list above to answer the table below.

When you get good marks in exams	
When you are given chocolates and toys	
After playing for an hour	
After watching TV for a long time	
When your friend is chasing you	
Your parents _____ you	
When you are solving this table	
Suppose you get less marks in the exam	
When you meet your friend in the morning at school	
When your friend gets hurt during playing	
Before your exams you are	
Something unexpected happens	
While writing answers you are trying to	
While sleeping you are	
When you prick yourself with a needle	
When angry you are	
When someone scolds you in front of your friends	
In the hot sun you are	
When the lunch break bell rings and lunch boxes are opened you are	
To cross a puddle you will	
When the teacher is angry you are all	

When you get a birthday present you are	
When you are sad you will	
Your teacher is...
